## THE PURSUIT OF EXCELLENCE

### *Lay The Foundation for Lifelong Success*

Thousands of graduates across the globe have found their pathway to personal effectiveness via the first step in the Excellence Series, *The Pursuit of Excellence*. Save years of wasted time, money and energy as you discover and practice the essential elements you require for success and satisfaction. Learn new tools to immediately be more effective and fulfilled, personally and professionally. (3 days)

## THE WALL

### *Break Through Barriers & Discover Your Purpose*

In the second course in the series, *The Wall*, you will discover and break through barriers that stand between you and what you desire. Identify the set of needs, unique to you, that lead to your highest level of fulfillment. Create a clear vision of where you see yourself and your life in the long-term. Then move forward toward your vision with purpose. (3.5 days)

## THE ADVANCEMENT OF EXCELLENCE

### *Cement Your Learning & Create Your Desired Results*

Graduates of the third course in the series, *The Advancement of Excellence*, say this course is “where the rubber meets the road.” Internalize your learnings from *The Pursuit of Excellence* and *The Wall* and boldly bring that learning into your life, your work, your home. Impress yourself with exceptional results and build a power team of strong support to actualize your life vision. (2 weekends, plus 6 weekly meetings)
